

ASCENDAS INDIA TRUST

Corporate Profile

Ascendas India Trust (“a-iTrust” or the “Trust”) is a Singapore-listed business trust established with the principal objective of owning income-producing real estate used primarily as business space in India. a-iTrust may also acquire, hold and develop land or uncompleted developments to be used for business space with the objective of holding the properties upon completion. Although a-iTrust is a business trust, it has voluntarily adopted certain regulations governing Real Estate Investment Trusts (“REITs”) to enhance the stability of its distributions to unitholders.

As at 31 December 2019, a-iTrust has a diversified portfolio of seven IT Parks and one logistics park, comprising:

1. International Tech Park Bangalore (“ITPB”);
2. International Tech Park Chennai (“ITPC”);
3. CyberVale, Chennai (“CyberVale”);
4. The V, Hyderabad (“The V”);
5. CyberPearl, Hyderabad (“CyberPearl”);
6. aVance, HITEC City, Hyderabad (“aVance Hyderabad”);
7. aVance, Hinjawadi, Pune (“aVance Pune”); and
8. Arshiya Free Trade Warehousing Zone, Panvel (“Arshiya”).

As at 31 December 2019, the portfolio comprises 13.1 million sq ft of completed properties. In addition, the Trust holds land with potential built-up area of 7.7 million sq ft.

Functional and Reporting Currency

a-iTrust’s functional currency is the Indian Rupee, which is the currency that its earnings are denominated in. The reporting currency for the Trust is Singapore Dollar as distribution to unitholders is made in Singapore Dollar.

Income Available for Distribution

As a business trust, a-iTrust computes distribution to unitholders based on cash flow generated from operations, rather than accounting profit. To derive the income available for distribution, adjustments are made to ordinary profit before tax to remove primarily non-cash accounting entries.

Distribution Policy

a-iTrust’s policy is to distribute at least 90% of its income available for distribution. a-iTrust retains 10% of its income available for distribution to provide greater flexibility in growing the Trust.

With effect from 1 April 2019, a-iTrust’s financial year end was changed from 31 March to 31 December. The Trust will make distributions to unitholders for the six-month period ending 30 September 2019 and three-month period ending 31 December 2019. Thereafter, a-iTrust will make distributions to unitholders on a half-yearly basis for every six-month period ending 30 June and 31 December.

Executive Summary

With effect from 1 April 2019, a-iTrust's financial year end was changed from 31 March to 31 December. Therefore the current financial year will be a nine-month period ("9M") from 1 April 2019 to 31 December 2019 ("FY2019"). The previous financial year was a 12-month period ("12M") from 1 April 2018 to 31 March 2019 ("FY18/19"). Hence the numbers presented for FY2019 are not comparable to those for FY18/19.

3Q FY2019 vs 3Q FY18/19

Total property income for the quarter ended 31 December 2019 ("3Q FY2019") increased by 12% to ₹2.7 billion due to:

- income from Anchor building at ITPB, which was completed in May 2019;
- incremental income from aVance Pune, which was leased out in phases after it was acquired in February 2017; and
- positive rental reversions.

In SGD terms, total property income increased by 15% to S\$51.5 million. The SGD depreciated by about 2% against the INR over the same period last year.

¹ Indian Rupee is defined herein as INR or ₹.

² Distribution per unit.

³ Singapore Dollar is defined herein as SGD or S\$.

⁴ Singapore Cent is defined herein as S¢.

Total property expenses for 3Q FY2019 increased by 32% to ₹768 million (S\$14.9 million) mainly due to increase in operation and maintenance expenses across the properties.

Net property income for 3Q FY2019 increased by 6% to ₹1.9 billion (S\$36.6 million) due to the above factors.

Income available for distribution for 3Q FY2019 increased by 5% to ₹1.3 billion, mainly due to increased net property income and higher interest income from investments in Arshiya, AURUM IT SEZ, aVance 5 & 6, aVance A1 & A2 and BlueRidge 3 via construction funding, which was partially offset by lower current tax expense in 3Q FY18/19, due to the tax benefit of ₹170 million arising from the merger of VITP Private Limited and Flagship Developers Private Limited last year. In SGD terms, income available for distribution increased by 7% to S\$25.4 million.

Income to be distributed (DPU) for 3Q FY2019 increased by 2% to ₹1.09. In SGD terms, DPU increased by 4% to 2.12 S¢.

Notes

- (1) Other property operating expenses include general management fees, depreciation, advertising and promotion expenses and professional fees.
- (2) The derivative financial instruments include foreign exchange forward contracts entered into to hedge income to be repatriated from India to Singapore and also swap contracts on SGD-denominated loans, where gains or losses are realised when contracts are settled.
- (3) The functional currency for the Trust and Group is INR. Realised foreign exchange gain or loss arises mainly from SGD-denominated loan settlement and cash balances not denominated in INR.
- (4) This relates to the fair value change on re-measurement of currency forwards, interest rate and foreign currency swaps/options, in accordance with Singapore Financial Reporting Standards (International) ("SFRS(I)") 9.
- (5) This relates mainly to the revaluation of SGD-denominated loans, which are classified as unhedged exposure under SFRS(I) 1-21.
- (6) This mainly relates to fair value gain on investment properties arising from annual valuation.
- (7) 10% of the income available for distribution was retained to provide a-iTrust with greater flexibility to grow.

Notes

- (1) The investment securities pertain to investments in Money Market Funds (“MMFs”). The Group has measured these MMFs at fair value through profit and loss due to the Group’s intention not to hold the investment for long term appreciation.
- (2) The changes in derivative financial instruments (assets and liabilities) are related to fair value changes upon re-measurement of currency forwards, interest rate and foreign currency swaps/options.
- (3) The decrease in investment properties under construction is mainly due to the amount transferred to investment properties, relating to Anchor building in ITPB upon completion.
- (4) The increase in investment properties is mainly due to annual fair value revaluation of investment properties and transfer of Anchor building to investment properties, partially offset by the translation difference arising from the appreciation of the SGD against INR of 3% compared to 31 March 2019.
- (5) Notwithstanding the net current liability position, based on the Group’s existing financial resources, the Trustee-manager is of the opinion that the Group will be able to refinance its borrowings and meet its current obligations as and when they fall due.

8 Review of performance

3Q FY2019 vs 3Q FY18/19

Total property income for 3Q FY2019 increased by ₹292 million (12%) to ₹2.7 billion. This was mainly due to:

- income from Anchor building at ITPB, which was completed in May 2019;
- incremental income from aVance Pune, which was leased out in phases after it was acquired in February 2017; and
- positive rental reversions.

In SGD terms, total property income increased by 15% to S\$51.5 million. The SGD depreciated by about 2% against the INR over the same period last year.

Total property expenses increased by 32% to ₹768 million (S\$14.9 million) mainly due to increase in operation and maintenance expenses across the properties.

Net property income for 3Q FY2019 increased by 6% to ₹1.9 billion (S\$36.6) million due to the above factors.

Trustee-manager's fees increased by ₹33 million (19%) to ₹210 million (S\$4.1 million), which is in-line with higher net property income and portfolio value as of 31 December 2019.

Other operating expenses increased by ₹20 million to ₹45 million (S\$0.9 million) mainly due to provision for Singapore GST during the quarter.

Finance costs increased by ₹128 million (25%) to ₹636 million (S\$12.3 million) mainly due to an increase in borrowings pertaining to construction funding for Arshiya, AURUM IT SEZ, aVance 5 & 6, aVance A1 & A2 and BlueRidge 3.

Interest income increased by ₹166 million (39%) or S\$3.4 million (41%) mainly due to interest income pertaining to construction funding for Arshiya, AURUM IT SEZ, aVance 5 & 6, aVance A1 & A2 and BlueRidge 3.

Realised gain on derivative financial instruments for 3Q FY2019 of ₹16 million (S\$0.3 million) arose mainly from gains from the settlement of foreign exchange forward contracts entered into to hedge income repatriated from India to Singapore and settlement of currency swaps on SGD-denominated loans.

Realised exchange loss for 3Q FY2019 of ₹111 million (S\$2.2 million) arose mainly from settlement of SGD-denominated loans. Realised exchange gain or loss is recognised when borrowings that are denominated in currencies other than the INR are settled.

As a result, **ordinary profit before tax** was ₹1.5 billion in 3Q FY2019, an increase of 10% as compared to ₹1.4 billion in 3Q FY18/19. In SGD terms, ordinary profit before tax increased by 12% to S\$29.3 million.

Income tax expenses increased by ₹2.5 billion to ₹3.1 billion (S\$59.2 million) mainly due to deferred tax liabilities arising from the annual fair value revaluation of investment properties.

Distribution adjustments:

- **Current income tax expenses** of ₹336 million (S\$6.5 million).
- **Trustee-manager fees** of ₹102 million (S\$2.0 million) to be paid in units. The Trustee-manager has elected to receive 50% of its base fee and performance fee in units and 50% in cash; hence 50% of the fees are added back to the income available for distribution.
- **Realised loss on settlement of loans** of ₹122 million (S\$2.4 million) was added back for distribution purpose. This pertains to refinancing of SGD-denominated loans that have not been hedged into INR. Exchange gain/loss is recognised when borrowings that are denominated in currencies other than the INR are revalued. The exchange gain/loss is realised when the borrowing matures, is prepaid, or swapped to INR denomination.
- Income due to **non-controlling interests** of ₹93 million (S\$1.8 million) is deducted from income available for distribution.

Income available for distribution for 3Q FY2019 increased by 5% to ₹1.3 billion, mainly due to increased net property income and higher interest income from investments pertaining to construction funding for Arshiya, AURUM IT SEZ, aVance 5 & 6, aVance A1 & A2 and BlueRidge 3, which was partially offset by lower current tax expense in 3Q FY18/19, due to the tax benefit of ₹170 million arising from the merger of VITP Private Limited and Flagship Developers Private Limited last year. In SGD terms, income available for distribution increased by 7% to S\$25.4 million.

Income available for distribution per unit for 3Q FY2019 was ₹1.22 or 2.36 S¢. **DPU** was ₹1.09 or 2.12 S¢ after retaining 10% of income available for distribution, representing an increase of 2% over 3Q FY18/19 in INR terms and 4% in SGD terms.
